On March 9 and 10, CHDI is hosting a meeting designed to develop the protocol for a study on the relationship between sleep and Huntington's disease. This meeting will be held in our Princeton Offices. We would like to hire a freelance medical writer to attend this two-day meeting, produce a summary of the meeting, and develop a protocol with our Director of Clinical Operations. This medical writer must have experience writing study protocols. The level of scientific discourse will be high.

CHDI ([www.chdifoundation.org](http://www.chdifoundation.org) <<http://www.chdifoundation.org>> ) is a

non-profit organization that supports and guides drug discovery and development research for Huntington's disease.

Wonderful, thanks so much Bonnie,  
I was at a meeting of the City of Philadelphia Africa committee all day, so I just now saw your e-mail s.  
I am really excited about this project. I read your letter, I am happy with all you have in there, it is very generous in time and money, and I am looking forward to working with the team to create a protocol. I have seen clinical trials collapse because the protocol was not properly prepared, I will work with your team to make sure everything has been considered. I will search for documents that prepare me for this particular study; and will happily devour any more that anyone wants to send me.  
Again, thanks so much, and God bless,  
Susanna

I could tell you some stories, probably I wont!

Just talking with Michael, he is Ghanaian, he is currently my advisor in things African. You may know him, he is good friend of Stan's, works directly for the Ambassador of Cote D'Ivoire. Stan is snowed in, he probably cant meet me tomorrow. But some time this week.

Thank for your correspondence. I understand how you feel but, there is nothing to be sorry about - flirting! Whoo!!

I didn't think you did anyway. Afterall, you're an experienced Afrocentric woman whom I believed would pursue whatever she wanted rather than be pursued.

However, you may send the pictures stick to word document.

I would like us to work together. Whatever the ramification, I believed trust, love and prayer would enliven our imaginative thoughts.

Call me at your convinience. I wish you all that you wish for me too.

Blessings!

Chief,

How do I send you the pix? I cant send them individually by email. I can stick them on word documents, or powerpoint documents, and which ones would you like? The ones from the Wednesday forum? I also took pix on Wednesday evening in their hotel lobby, Thursday at the Enterprise center and at the PNC thing, and Friday at the council chambers and at the restaurant. Sorry for flirting. I am not a player, and I refuse to be any man's 2nd or 3rd woman. I am just so excited about the possibilities of linking MJoTA with the newspaper. I pray for God's richest blessings on all you do, and all we do together. I will be in a meeting from 10 to noon.

Dear Friends,

As Joe Giuliano mentioned in his e-mail last week, the CHDI HD Sleep Medical Advisory Meeting will be held on Monday and Tuesday, March 9<sup>th</sup> and 10<sup>th</sup>, at our office in Princeton, New Jersey – 300 Alexander Park, Suite 110. Click on the following link for a map of the area - [http://maps.google.com/maps?f=q&source=s\\_q&hl=en&geocode=&q=300+Alexander+Park,+Princeton,+NJ+08540&sll=37.0625,-95.677068&sspn=40.052282,67.851563&ie=UTF8&ll=40.319735,-74.631457&spn=0.03776,0.066261&z=14](http://maps.google.com/maps?f=q&source=s_q&hl=en&geocode=&q=300+Alexander+Park,+Princeton,+NJ+08540&sll=37.0625,-95.677068&sspn=40.052282,67.851563&ie=UTF8&ll=40.319735,-74.631457&spn=0.03776,0.066261&z=14)

We will begin each day at 8:30am with continental breakfast and meet until 5:00pm on Monday, and 2:30pm on Tuesday. Lunch will be served. We will also host a group dinner at The Ferry House Restaurant in downtown Princeton on Monday evening at 7:00pm. ([www.theferryhouse.com/index.html](http://www.theferryhouse.com/index.html))

Out-of-town participants will stay at the Princeton Hyatt Place Hotel - 3565 US Highway 1, Princeton, NJ 08540. The room and tax charges will be billed directly to CHDI but the hotel will require a personal credit card upon arrival for any incidentals, i.e. phone, movie and internet charges. We realize that, in the course of the workshop, you will want to connect to the internet. We will provide a wireless broadband connection at our meeting site before and after the workshop discussions, and during the lunch and coffee breaks. We cannot, however, reimburse you for internet connections at your hotel or at the airport. (<http://princeton.place.hyatt.com/hyatt/hotels/place/index.jsp>)

Newark Airport offers easy and inexpensive access to Princeton via New Jersey Transit rail service. From any airport terminal, take the monorail to the airport train station. There are several New Jersey Transit lines. Make sure you take a train on the **“Northeast Corridor Line”** in the direction of Trenton. Take the train to **“Princeton Junction”**, which takes about 40-50 minutes from the airport. **NOTE - after exiting the train at Princeton Junction, DO NOT get on the shuttle bus (“Dinky”) to downtown Princeton.** Click on the link below to find the train that best fits your schedule. Enter “Newark Airport” for your origin and “Princeton Junction” for your destination. ([http://www.njtransit.com/sf/sf\\_servlet.srv?hdnPageAction=TrainSchedulesTo](http://www.njtransit.com/sf/sf_servlet.srv?hdnPageAction=TrainSchedulesTo))

To get to the hotel from the Princeton Junction station, you can either take a cab (approx. \$10 fare) or you can call the hotel when you are on the train and they will send a shuttle to pick you up (free, 609.720.0200). CHDI will reimburse you for all cab fare as well as up to \$75 per day for meal expenses incurred outside of the workshop. Receipts are required for all reimbursable items. An expense report is attached. Please remember to provide us with an address where you would like the check mailed to.

Thank you for taking such care with this assignment!

Jerry Turner, our Meeting & Event Manager, would be happy to arrange hotel accommodations for you. I have cc'd him, and added his contact information below. (Jerry, meet Susanna Dodgson, she is the medical writer for next week's meeting in Princeton.)

Our clinical group is new, and CHDI has yet to directly coordinate and run any human studies. Therefore, I have no previous protocols to send you. I have asked Joe for a protocol template. He promised to send something soon.

Dear Bonnie Lee,

Gosh, the Foundation does a lot. And focused. I have received lots of materials, I think this is great, I have printed out everything and am carefully reading everything.

I will be staying in Princeton on Monday night; driving 1 hour each way will cut into the work I need to do, and I will want to work between end of meeting on Monday until the 7pm dinner. I will be hitting the ground running and I need to make sure my work environment is perfect. Shall I arrange this for myself?

I have a lot of protocol templates, but every company uses its own. Does CHDI have a protocol template? Can you send me a previous protocol I can use as a template? I don't see anything on the web-site. I want to put as much into the protocol shell as I can before I come on site, having a previous protocol for anything connected with the Foundation would be great.

I hope all is well. Our snow day on Monday put everyone in the right mood, take care,

Susanna

Hi Susanna,

Below is an e-mail that was sent out to the sleep advisory meeting participants. It contains all the details. I particularly wanted to draw your attention to the part about the hotel shuttle. Since you will be staying at the hotel on Monday evening, I thought you might want to travel to the dinner via the shuttle with the rest of the group. You could go also travel with them to the office on Tuesday morning. An agenda and papers of interest are attached.

We will begin each day at 8:30am with continental breakfast and meet until 5:00pm on Monday, and 2:30pm on Tuesday. Lunch will be served. We will also host a group dinner at The Ferry House Restaurant in downtown Princeton on Monday evening at 7:00pm. ([www.theferryhouse.com/index.html](http://www.theferryhouse.com/index.html))

Out-of-town participants will stay at the Princeton Hyatt Place Hotel - 3565 US Highway 1, Princeton, NJ 08540. To get to the hotel from the Princeton Junction station, you can either take a cab (approx. \$10 fare) or you can call the hotel when you are on the train and they will send a shuttle to pick you up (free, 609.720.0200). CHDI will reimburse you for all cab fare as well as up to \$75 per day for meal expenses incurred outside of the workshop. Receipts are required for all reimbursable items. Thank you for agreeing to participate in the HD Sleep Medical Advisory Meeting organized by CHDI being held on March 9-10, 2009 in Princeton, NJ. By now you should have completed your travel arrangements for the meeting and received information about the hotel accommodations. Next week you will receive details on airport transfers from Newark Liberty Airport to Princeton and the Hyatt Place hotel. The meeting will be held in the CHDI offices in Princeton.

Enclosed with this mail is the meeting agenda and attendee list. In addition, several recent papers of interest dealing with HD and sleep are provided. We are looking forward to your participation and an engaging meeting – not only is this an important scientific question, it is also important to the quality of life of HD patients and their families.

Best regards and safe travels,

Dear Jerry,

Thank you so much. In the absence of a CHDI protocol template, I will use a National Institutes of Health one. This is important because a clinical trial protocol is a legal document, and all requirements for this document need to be met.

The best arrangement for me is to drive to the hotel, and leave my car there.

Thanks for all the papers, I have printed them out and am studying them intently.

Take care,

Susanna

Hi Susanna,

Below is an e-mail that was sent out to the sleep advisory meeting participants. It contains all the details. I

particularly wanted to draw your attention to the part about the hotel shuttle. Since you will be staying at the hotel on Monday evening, I thought you might want to travel to the dinner via the shuttle with the rest of the group. You could go also travel with them to the office on Tuesday morning. An agenda and papers of interest are attached.

Best,

Jerry

Dear Friends,

As Joe Giuliano mentioned in his e-mail last week, the CHDI HD Sleep Medical Advisory Meeting will be held on Monday and Tuesday, March 9<sup>th</sup> and 10<sup>th</sup>, at our office in Princeton, New Jersey – 300 Alexander Park, Suite 110. Click on the following link for a map of the area - [http://maps.google.com/maps?f=q&source=s\\_q&hl=en&geocode=&q=300+Alexander+Park,+Princeton,+NJ+08540&sll=37.0625,-95.677068&sspn=40.052282,67.851563&ie=UTF8&ll=40.319735,-74.631457&spsn=0.03776,0.066261&z=14](http://maps.google.com/maps?f=q&source=s_q&hl=en&geocode=&q=300+Alexander+Park,+Princeton,+NJ+08540&sll=37.0625,-95.677068&sspn=40.052282,67.851563&ie=UTF8&ll=40.319735,-74.631457&spsn=0.03776,0.066261&z=14)

We will begin each day at 8:30am with continental breakfast and meet until 5:00pm on Monday, and 2:30pm on Tuesday.. Lunch will be served. We will also host a group dinner at The Ferry House Restaurant in downtown Princeton on Monday evening at 7:00pm. ([www.theferryhouse.com/index.html](http://www.theferryhouse.com/index.html))

Out-of-town participants will stay at the Princeton Hyatt Place Hotel - 3565 US Highway 1, Princeton, NJ 08540. The room and tax charges will be billed directly to CHDI but the hotel will require a personal credit card upon arrival for any incidentals, i.e. phone, movie and internet charges. We realize that, in the course of the workshop, you will want to connect to the internet. We will provide a wireless broadband connection at our meeting site before and after the workshop discussions, and during the lunch and coffee breaks. We cannot, however, reimburse you for internet connections at your hotel or at the airport. (<http://princeton.place.hyatt.com/hyatt/hotels/place/index.jsp>)

Newark Airport offers easy and inexpensive access to Princeton via New Jersey Transit rail service. From any airport terminal, take the monorail to the airport train station. There are several New Jersey Transit lines. Make sure you take a train on the **“Northeast Corridor Line”** in the direction of Trenton. Take the train to **“Princeton Junction”**, which takes about 40-50 minutes from the airport. **NOTE - after exiting the train at Princeton Junction, DO NOT get on the shuttle bus (“Dinky”) to downtown Princeton.** Click on the link below to find the train that best fits your schedule. Enter “Newark Airport” for your origin and “Princeton Junction” for your destination. ([http://www.njtransit.com/sf/sf\\_servlet.srv?hdnPageAction=TrainSchedulesTo](http://www.njtransit.com/sf/sf_servlet.srv?hdnPageAction=TrainSchedulesTo))

To get to the hotel from the Princeton Junction station, you can either take a cab (approx. \$10 fare) or you can call the hotel when you are on the train and they will send a shuttle to pick you up (free, 609.720.0200). CHDI will reimburse you for all cab fare as well as up to \$75 per day for meal expenses incurred outside of the workshop. Receipts are required for all reimbursable items. An expense report is attached. Please remember to provide us with an address where you would like the check mailed to.

Transportation between the hotel, office and restaurant will be provided by the hotel shuttle service. Here is the pick-up schedule:

### **Monday, March 9<sup>th</sup>**

- HotelàCHDI Office – pickup at 8:00am (meet at reception desk in main lobby)
- CHDI OfficeàHotel – pickup at 5:30pm
- HotelàFerry House Restaurant – pickup at 6:30pm (meet at reception desk in main lobby)

- Ferry House RestaurantàHotel – pickup at 9:00pm

**Tuesday, March 10**

- HotelàCHDI Office – pickup at 8:00am (meet at reception desk in main lobby)
- CHDI OfficeàPrinceton Junction Train Station (for transport to Newark Airport) - pickup at 2:30pm

The meeting agenda and papers of interest that Joe sent last week are attached. If you have any questions, please do not hesitate to contact me (New York office) – 212.660.8108 - or Deb Grodin (Princeton office) – 609.945.9050. Otherwise, have a safe trip and we'll see you next week.

Best,

Jerry

Joe sent me a protocol to review for another study CHDI is funding. I will use this to develop a template for Joe, since he is traveling in Europe . Between us, we should have something for you. Please do not worry too much about this—Joe will be taking the lead on the final protocol development. Focus more on the meeting and its content for the first pass.

Cheers,

Dear All,

Once again I want to thank you for participating in the CHDI HD Sleep Medical Advisory Meeting. The discussions were excellent and I think we covered significant ground over the 2 day meeting. Not only did we learn a lot about sleep, but for those of you not previously involved in HD research, we hope that new interest has been sparked.

Please remember to send in your expense reports (attached). I will be in touch when the final report is available and when the protocol outlines are sufficiently mature for us to receive additional comment and finalization.

It was great meeting all of you and I look forward to continuing our collaboration.

Best regards,

Per the requests of Bonnie Lee, I have attached a draft of our standard consulting agreement to engage you company for various workshop and science writing activities.

I understand there is a workshop that they would like you to work on beginning March 9/10 - this agreement will need to be finalized before that time if you would like to cover that workshop.

Please review the attached draft and send me any comments you may have. If, during the course of your review, you have any questions please feel free to contact me directly via telephone.

I spoke briefly with Joe about your request for a webinar today. Since his schedule is a bit hectic for the next week, he asked if you and I could work through your questions first and see which ones must be addressed immediately, and which can be part of a discussion one the drafts have been completed. Hi Joe,

I spoke with Susanna and was able to get through most of her questions myself. There are a few things however that I need to track down.

1. Does Jerry have the participant contact list for the meeting? Apparently, some of the PDFs of the slides are incomplete and Susanna would like to contact the presenters directly for clarification.
2. Susanna also needs the presentation slides from Dan and you. Could you please forward those to her?
3. She has a list of actionables that I have asked her to forward to us at her earliest convenience.

Finally, she mentioned that there were now two protocols to be developed. Originally, we were talking about one, and I am wondering if we need to amend the letter to reflect the addition. Are the two protocols? Should she work on both? If not, which should she focus on?

She also mentioned a disconnect in the discussion and the recommendations. I told her to mention it in the report. If there is a need to modify the protocol to address that problem, it can be discussed later.

That is all, I think.

Thanks,

Bonnie Lee

Hi Susanna,

Attached you will find Dan's presentation and the list of participants with their contact information. Since Joe's presentation was simply a tool for the meeting, and has no meaningful content (Joe's comment, not mine), it is not really needed for the report.

May I suggest that you prioritize your efforts this way:

1. Complete the meeting report
2. Develop a protocol outline
3. For the protocols focus on the interventional study

We would like the outline and meeting report on the 27<sup>th</sup> of March.

Could you briefly outline the disconnects you picked up between the recommendations and the discussion. Please send this outline to Joe and me with the actionables you drafted? If you could send these soon, Joe may be able to determine if and how they should be addressed in the report. Remember: the recommendations are final; please use these to anchor and structure the narrative.

Let me know how else I may be of service.

Have a lovely weekend,

Bonnie Lee

Hi Susanna,

I spoke with Joe about the second protocol that emerged from the workshop. He agrees that it is an additional work request that CHDI should commission separately.

Would you be willing to accept 600USD for the write-up of the second protocol AFTER the other protocol has been delivered?

I hope you enjoy your weekend.

Sincerely,  
Bonnie Lee
