

Dr. Susanna J Dodgson, Publisher of MJoTA goes to many events from New York to Washington, and she takes many photographs. You can see the photographs on <http://www.mjota.org>, and we invite you to order photographs of yourself and those you love from our collection.

At New York Echo Publishing Inc., we have developed a new exciting photographic department to satisfy the need of our readership who ask us for their photographs printed, and who send to us their old or favorite family or individual pictures to either be restored or be re-printed for their office or homes wall decoration.

All our finished photographs and materials are selected and manipulated under stringent professional standard to give you highest value satisfaction, because what you'll receive will have been skillfully produced by highly skilled market engineers, artists and craftsmen of impeccable professionalism, whose specialized experience extend over many years to give you consistent and unequalled quality photographs.

We hope you won't be disappointed. Our reputation depends upon your satisfaction. Our photographic work is highly valued: you know that because you read New York Echo and MJoTA.

If you desire to have your name, logo, event and date inscribed on your photograph, let us know. You can contact us at MJoTA at 609-792-1571 and at [mjota@rocketmail.com](mailto:mjota@rocketmail.com) or NY Echo at 718-395-0235 or [nyechophoto@nyecho.com](mailto:nyechophoto@nyecho.com).
